World class self-catering apartments and superior suites on Milnerton beach

Stay on the beach

Situated 10 minutes' drive west of the city centre, Sunstays Lagoon Beach Apartments and Leisure Bay Apartments overlook Table Bay, one of the world's most beautiful bays.

From our modern, four-star, secure apartments on Milnerton beach you can admire the world-renowned views of Table Mountain, Robben Island and the Cape Town harbour. Take a few steps forward and you'll find yourself on the sand, with a fresh sea breeze in the air and the Atlantic Ocean washing over your feet.

Ample and spacious accommodation

Our contemporary complexes comprise a variety of roomy self-catering apartments and superior suites, as well as restaurants, cocktail bars, three sparkling swimming pools, a gym and health spa.

Each apartment is tastefully furnished and features a spacious lounge and fully equipped kitchen. High-speed broadband Wi-Fi access is available throughout the complex.

Activities to suit all

Our accommodation is centrally located, offering easy access to Cape Town as well as Table View. The Bus Rapid Transit System connects the apartments with the Mother City, offering low cost, luxury transport with departures every 15 minutes. (And you can take your bicycle.)

A nine-hole links golf course is within walking distance and you can enjoy a variety of popular water sports along the 10 km uninterrupted stretch of beach, including kite surfing.

Whether you wish to walk on the beach, swim in the refreshingly cool ocean, relax with a cocktail around the pool, pamper yourself at the spa, dine out or enjoy the vibrant city nightlife, the wide range of activities offers something for everyone.

Meeting the needs of business travellers

Business guests can book and use the upmarket conference facilities at the adjacent hotel and stay in the same complex. Catering can be arranged.
